DD/S&T Meeting with NASA Officials

1. As I mentioned to you the other day, Mr. Duckett, Mr. Brandwein, and other Agency officials will be meeting with some senior NASA officials who will come to the Agency on 6 July from 1030-1230. The names of the NASA representatives are listed below:

2. The meeting will take place in the DD/S&T conference room, 6E60. Would you be kind enough to make the usual arrangements to facilitate their entrance into the building. May we also have some indication of the clearances held by this group.
